

# PICKS OF THE WEEK

# DAVENPORTS.ca AUTO PARTS

Valid Sept 16 - 22, 2024. While Supplies Last.

## NOW AVAILABLE:

## HIGH-PERFORMANCE RESTORATION & MAINTENANCE COATINGS

Paint Your Rusty Brake Calipers! Nothing ruins the appearance of a sharp set of wheels like dirty, corroded calipers lurking from behind. Now dress up those steel or aluminum calipers with a high temperature super-tough, impact and fade resistant durable finish using the POR-15 Caliper Painting Kit.

POR-15 OEM Bed Liner truck bed and underbody coating offers superior adhesion, impact resistance, and flexibility, as well as an attractive texturized gloss black finish that provides the ultimate in rubberized truck bed and undercoating protection. Our truck bed liner is UV stable and will resist damage typically caused by exposure to UV.

POR-15 Rust Remover will safely convert and remove light or heavy rust completely from metal surfaces and will not affect plastic, PVC, Viton, or most paints. One gallon of this rust remover product derusts several hundred pounds of heavily rusted steel. This equates to around 1/2 to 3/4 pounds of dry rust removed per gallon. Rust Remover will not harm unruined steel and is safe on other metals.

## Plus Much More!
